DIRECTORY
OF
ECONOMIC INTELLIGENCE COMMITTEE PERSONNEL

May 1960

~~S-E-C-R-E-T~~

S-E-C-R-E-T

This directory has been compiled by the EIC Secretariat. Changes should be reported to the Secretariat in writing; the Secretariat, in turn, will report such changes to the membership so that listings may be kept current. It is presently intended to issue revised editions on an annual basis.

The EIC Secretariat has on record certifications of security clearance, through SECRET, for all individuals listed. TOP SECRET and other levels of clearance are on record in the Secretariat for some of the listed individuals; these may be confirmed by contact with the Secretariat. Agencies designating new or alternate members are required to submit certifications of clearance to the Secretariat through their Security Officer channels.

Liaison between personnel listed herein on substantive EIC matters, through SECRET, is permissible without the necessity of clearance through other channels. Discussions between individuals listed herein and other, non-listed, individuals are subject to normal clearance procedures applying in each department or agency.

Individuals are reminded that telephone lines are insecure and that classified matters may not be discussed over these lines.
